Dear parents and carers,

## Headteachers Weekend Letter 25.04.21

What a joy it is to start the summer term with a school full of children and long may it continue. The school is alive once again with the sound of happy chatter, laughter, squeals of delight and an excited buzz – just how it should be!

Over the past twelve months the children and you, our families, have shown such resilience and have had to adapt to so many changes. Although Covid-19 restrictions are still with us and these do restrict our usual summer term activities

we will continue to strive to make school an exciting place for children. This was seen this Friday with our delayed celebrations for World Book Day. Reading is one of the most important skills that the children develop at school and it opens the door to so many opportunities and learning. Teachers are currently updating the school website with pictures from the day and you will also find lots of updated curriculum documents that will help you to understand what topics your child is learning about in school at the moment. We are currently updating our library and would like to ask that if you have any quality books at home that you would be willing to donate to school, please send them in. We would love to increase our range of books in school that all children can access.

We are still having issues with traffic around the school site. Please be aware that young children are crossing the road and due to the speed of some cars and parking it is getting more difficult and I am concerned that we could have an accident. I am in contact with the road enforcement team to see what further action we can take however the easiest option is that:

1. More people walk to school – or park and stride
2. We do not park on corners, on the zig zag lines, etc
3. We reduce speed around the site

All of these are manageable so please do them.

Our rearranged training day will take place on Monday 28<sup>th</sup> June 2021. School will be closed to pupils on this day.

If you have any questions or queries regarding any aspect of school then please contact [dbeardsmore@cfp.school](mailto:dbeardsmore@cfp.school) and I will get back to you. Remember, if you wish to see the class teacher you need to make an appointment in advance. When entering the school building, you need to continue to wear your mask.

I hope you are having a fantastic weekend and we look forward to the start of a new week.
