3rd May 2021

Dear parents and carers,

Headteachers Weekend Letter 03.05.21

I am sorry that I have to start this newsletter with an on-going issue. We are still having issues with traffic around the school site. This weekend, I have ordered over £300 worth of cones to try and help with the parking. This is an expense the school could have done without, however I felt it was necessary to ensure safety.

Please do not:

1. Block the drop kerb
2. Park on the school zig zag sign
3. Park on corners
4. Drive at an increased speed around the school site

We have spent a lot of time over the last few months updating our curriculum. All subject areas have identified crucial knowledge (the knowledge children must know) and this forms the building blocks for the rest of the learning. We are seeing progress as children – **know more, remember more and apply more.**

I would like to thank all of the staff and children for the effort that has been shown following Earth Day in school. Lots of children are recycling, conserving energy/ litter picking and considering other ways to help the environment. Well done to all and a big thanks to Mr Cotton for organising this.
