16<sup>th</sup> May 2021

Dear parents and carers,

## Headteacher's Weekend Letter 16.05.21

We have two more weeks until we break up for half term. Tomorrow there will be a further reduction of restrictions. In regards to school, we will not be changing our control measures. Children are still to arrive and be dismissed with a staggered start and finish, children will remain in class bubbles inside and year group bubbles outside and parents are to continue to cover their face on the playground.

It is still important that we also follow the government advice – if your child has symptoms then a COVID-19 test should be arranged. A reminder:

- If your child has a temperature of over 37.8 degrees, you **must** keep them off school. Do not mask symptoms with medication and send your child into school. Keep them at home and arrange a test if needed.
- Should your child develop a new and persistent cough or lose their sense of smell or taste, keep them off school and make arrangements for a Covid-19 test. If this is negative the child can return to school, and we politely request that you provide us with a copy of the negative test result.

If your child has a combination of the symptoms; keep your child off school and make arrangements for a Covid-19 test. If this is negative the child can return to school, and again we request that you provide us with a copy of the negative test result.

This week the CEO, Mrs Jackson, has met with small groups of children to discuss the crucial knowledge. This is the most important learning that your child will be doing at school. One way you can support is by asking your child what crucial knowledge they have been learning. As the weeks go on, we are updating the website with all the crucial knowledge documents so you can update yourself. As staff, we have spent a lot of time identifying the crucial knowledge and sequencing the themes and topics. Links to the reading, writing and maths documents below.

Lacey Edwards	LKS2	For always making me smile
Gracie Mae Kirkham	UKS2	For being the best she can be with an excellent attitude to school and her learning

Team of the week is:

**GREEN TEAM** Well done!

Team for the Year so far is:

**Yellow Team**. Well done!

If you have any questions or queries regarding any aspect of school then please contact [dbeardsmore@cfp.school](mailto:dbeardsmore@cfp.school) and I will get back to you. Remember, if you wish to see the class teacher you need to make an appointment in advance. When entering the school building, you need to continue to wear your mask.

I hope you are having a fantastic weekend and we look forward to the start of a new week.

Diane Beardsmore  
Headteacher
