Dear parents and carers,

## Headteacher's Weekend Letter 20.06.21

I hope you have all had a good weekend. I am sure many of you have read that there has been an increase of the Delta variant in the Chesterton area. I attended a virtual meeting on Friday that looked at the best way to respond to this. We will be working with the other schools in the area and the local authority and a letter will be coming home tomorrow with your children. It does mean that we cannot have any additional adults on site, so for the next two weeks at least, contact with school will be via phone call only. Please avoid coming to the school office unless it is absolutely vital.

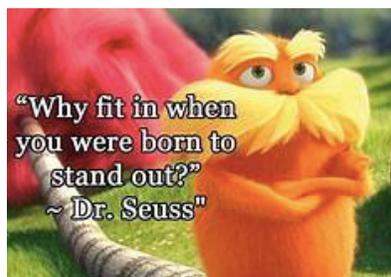

One thing that has been noted is that the new variant does seem to show as more of a traditional cold in younger children so can I ask that if your child has any of the main symptoms (temperature, loss of smell and taste, continuous cough) or any cold like symptoms (sore throat, runny nose) that you keep them at home. I know you would have kept them at home with the agreed symptoms, but this just adds an extra level of security.

From the guidance we are being given it would seem likely that we may, in the not to distant future, have to close a bubble within school. Let's hope that we can avoid it for as long as possible and for as many children as possible.

## DIVERSITY WEEK – 21 06 21

We believe that it is vital for us as a society to celebrate the diversity in our country. We believe that we should celebrate our difference and it is these differences that bring colour to our lives. This includes where we are from, what we wear, how we look, what we eat, what our families are like and how we celebrate. One of our school values is respect and that is what we would expect from our children every day.

To show that it is good to stand out in the crowd and to celebrate differences, on FRIDAY 25<sup>th</sup> JUNE we want all of the children to come to school in their brightest clothes. This could be rainbow colours, neon bright colours, clashing colours.

### Key Dates

Our rearranged training day will take place on **Monday 28<sup>th</sup> June 2021.**

School will be closed to pupils on this day.

We break up for the summer on Friday 16th July.

As always, we ended the week with our celebration assembly.
