4th July 2021

Dear parents and carers,

Headteacher's Weekend Letter 04.07.21

It will be great tomorrow as all isolating classes will return. Fingers crossed that this is the last case for this academic year.

Football coming home!

Anyone who knows me knows how much I love football. I have enjoyed watching the football and usually find watching England more of an endurance activity than enjoyment, but on Saturday there was **lots of cheering** in my house! As a way to celebrate on Wednesday (England's match against Denmark is Wednesday evening) all children can come to school in England football shirts, football kits or in the England colours of red, white and blue. I hope to have a big smile on my face on Thursday morning.

I have been contacted by parents and local residents regarding two issues that are taking place at the start and end of the day. If you are parked and waiting to collect your child please can I ask that you do not keep your engine running. We have also received some concerns about the amount of dogs that are around the gate or blocking the pavement so children cannot get past. I think this has been especially difficult for the children who may be a little scared of dogs. Can I ask that if you do walk your child to school with your dog then ensure there is space for children to get past.

This week the children spent curriculum time with a focus on science. This involved considering what a scientist might be like and smashing stereotypes of what science is and when it is used. They also completed a whole school experiment on biscuit dunking.

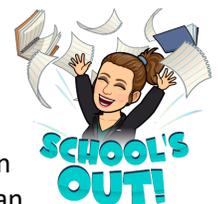

As we do not wish to risk 'breaking bubbles', we will not be able to do any further transition activities. We will ensure all children feel confident for the start of next year.

We break up for the summer term on Friday 16th July 2021.

Children in Nursery, Reception, Year 1 and Year 2 will finish at 1:40pm. (Any nursery child who would usually only do the afternoon session is invited to do the morning session 8:30 – 11:30)

Children in Year 3, 4 and 5 will finish at 2:00pm.

This will enable us to say a proper goodbye to Year 6 at 2.15pm. Can I ask all parents and children who do not have children / siblings in Year 6 leave the playground so staff and the year 6 parents can socially distance and say goodbye, as year 6 leave us for the last time.

We return after the summer holiday on Tuesday 7th September 2021. New guidelines will be published on the 19th July so I will be able to send out the start and end times by the end of that week as we do not know if we will still need to operate the staggered start.

As always, we ended the week with our celebration assembly.
