

Book of the Month

Mrs Mawdsley says this book would be a great book for children in years 5 and 6 to read or have read to them.

There are copies of the Book of the Month on our Bookopoly display. Please feel free to borrow – read – review and return. Next month another member of staff will be reviewing a book that they have enjoyed reading. 😊

Our Book of the Month for October **Impossible Creatures** by **Katherine Rundell**. The book was read and reviewed by Mrs Mawdsley

About the book...

The day Christopher saved a drowning baby griffin from a hidden lake would change his life forever. It's the day he learned about the Archipelago, a cluster of unmapped islands where magical creatures of every kind have thrived for thousands of years—until now. And it's the day he met Mal, a girl on the run who desperately needs his help.

Mal and Christopher embark on a wild adventure, racing from island to island, searching for someone who can explain why the magic is fading and why magical creatures are suddenly dying. They consult sphinxes, battle kraken, and negotiate with dragons. But the closer they get to the dark truth of what's happening, the clearer it becomes: No one else can fix this. If the Archipelago is to be saved, Mal and Christopher will have to do it themselves.
