19th March 2023

Dear parents and carers,

This week we celebrated British Science Week in school with assemblies, a competition led by our science ambassadors and during our science lessons. Each year there is a theme and this year's theme was connections. Our world is full of connections - connections in our bodies, with other people and to other countries. There are connections to other planets, between different animals in their habitats and even electrical connections. The children showed what fantastic science knowledge they have, and many came up with their own super inventions. I particularly liked the money generator – I am sure you would agree we could all do with one of these.

School Council ran our **Comic Relief** event in school and I am pleased to say we raised **£236.45**. Thank you to everyone for their kind donations.

REMINDER

Due to popular demand by the children, we will once again be holding our annual Easter bonnet competition in school and we invite all classes from Nursery to Year 6 to take part!

We will be holding two parades. One for EYFS and Year 1 and another for Year 2 and 3.

Both parades will take place on:

Wednesday 29th March 2023

EYFS / year 1 9:00 (parents will not be able to enter the school building until **8:45**)

Year 2/3 10:45 (parents will not be able to enter the school building until **10:30**)

Year 4, 5 and 6 will be photographed in their bonnet and these will be placed on the school Facebook page.

We will take photos of all the entries and put them on our school website for you all to see. Your Easter themed head wear could be bonnets, caps, top hats or headbands. Let your child be as creative as they like! Head wear will be judged and there will be one winner from each class. Winners shall receive a small Easter themed gift.

Parents evening – reminder

We are in the half term where we will be having our second parents evening.

5A parents evening

Tuesday 21st and Thursday 23rd March

Rest of school

Tuesday 28th March and Thursday 30th March

School Terms and Holiday Dates 2022 -2023

As always, please avoid booking holidays in term-time. They can only be authorised if they are 'exceptional' circumstances. I have limited capacity to authorise holidays. Our registers are externally checked and there are strict guidelines in place with very little 'wiggle' room regarding authorisation.
