"Be the best you can be"

Part of the Collective Vision Multi-Academy Trust

12th May 2024

Dear parents and carers,

This week, Year 6 have their end of year assessments in grammar, punctuation and spelling, reading and mathematics. These are known as SATs. Their writing is continually assessed and formally moderated during June. Please remember that your child's successes cannot be summed up in a week of tests. You can sum up their successes by:

- the smiles they have shared
- the giggles they have created
- the friends they have made
- the people they have influenced
- the lives they have touched

Everyone in Year 6 hold a special place in my heart and inspire me to be the best I can be. All that anyone asks in return is that we live up to the school motto and aim to be the best that we can be.

I am hoping this doesn't jinx it but we are having a run of good weather. Can I ask that you ensure that your child has sun cream on if the day is forecast to be nice. If your child comes to school with their own sun cream can you ensure that it is labelled.

We are having a problem with lost property. Over the course of a week, we fill four boxes with lost property and most of it remains unclaimed. Please make sure that items are clearly labelled with your child's name so the prefects can get it back to them. We will put a table out on Monday with the items we currently have.

Heads up!

Next week (week beginning 20th May), is sports week. Children should be wearing their PE kit everyday. This is for all classes.
